

UNITY CHURCH OF PORT TOWNSEND

THE SOUL'S JOURNEY

JANUARY 2011 THE TWELVE SPIRITUAL POWERS

"The subconscious realm in man has twelve great centers of action, with twelve presiding egos or identities. When Jesus had attained a certain soul development, He called His twelve disciples to Him.

This means that when man is developing out of mere personal consciousness into spiritual consciousness, he begins to train deeper and larger powers . . . he quickens them to life." (Charles Fillmore in The Twelve Powers)

"

We can all be guided whenever we open our minds to Divine counsel. I know that Spirit's guidance is available to every one of us for the asking, for we are not alone on this 'spaceship Earth' . . . we are, each of us, tiny individual elements and powers in God's universal mosaic.

Our lives are programmed at conception and endowed with purpose and meaning."

(Jeane Dixon in Yesterday, Today, and Tomorrow)
