### THE SOUL'S JOURNEY ~ AUGUST 2011 TRANSFORMING CONSCIOUSNESS ~ REVELATIONS TO JOHN

#### PASSAGES FROM THE GOSPEL OF THOMAS

What you bring out of yourself from the inside will save you!

What you do not bring forth out of yourself from the inside will destroy you.

Let him who searches not cease searching until he finds. When he finds, he will be troubled and disturbed.

When he has been disturbed, he will be astonished and amazed . . . and he will have dominion over all.

#### THE SEVEN SEALS AND THE FOUR HORSEMEN

**BREAKING OF THE SEALS** The releasing of the hidden; the process of coming into Christ Consciousness

**THE WHITE HORSE** Our spiritual awareness. Comes first! Jesus bringing Christ Consciousness.

**THE RED HORSE** Our emotional nature. Brings conflict. Are you responding or reacting? "Seeing red"

**THE BLACK HORSE** Our intellectual understanding. Carries scales of balance. "Dark night of the soul"

**THE PALE GREEN HORSE** Our physical form. Attachment to outer. Remember eternal. "Pale as a ghost"

"We live our whole lives riding one steed or another. All carry us where they want, not where we want.

Unless we learn to rein them in, to make them move at a canter or gallop at our command,

we can never have any real freedom." (Robin Robertson in Revelation: A Jungian Interpretation)

**THE SEAL OF THE MARTYRS** souls under the altar in heaven: our subconscious/unfinished business/awareness awaiting expression; revealing aspects of our innermost self so we can express them

**THE SEAL OF THE WORLD** catastrophic earthquakes: shaking up of life so the old falls away and the new can come into being; the awakening of spiritual life force; shaking out of complacency and into new possibilities

**THE SEAL OF THE SURVIVORS** the Silence in Heaven: final step in mastery is silence/stillness/ prayer & meditation; like Elijah In I Kings 19: 11-12 where God is in the "Sheer Silence" or the "Still, Small Voice"; Divine Presence

#### THE MOTHER WITH CHILD AND THE DRAGON

The MOTHER represents our co-creative spiritual nature seeking to give birth to Christ Consciousness.

The DRAGON represents our physical, ego-based, mortal self that fears this new birth.

In the evolution of consciousness, we are shifting from Homo Sapiens to Homo Universalis

"Fear can only be overcome by love. The tragedy is that fear prevents love from being expressed or experienced. Therefore, your mission, dearly beloved, must be to overcome fear within yourselves; and then, in fearlessness, to express your certainty that God loves humanity as the Sons and Daughters of God." (Barbara Marx Hubbard in The Revelation: Our Crisis is a Birth)

### CONSCIOUSNESS MANTRAS FROM THE SEVEN CHURCHES OF REVELATIONS

- The Church at Ephesus** For loss of faith and the ability to deal with challenges  
**I AM FAITH.** I know there is a perfect Design of creation. Each of us is a vital element in that design. I know I am now acting in perfect harmony with that Design.
- The Church at Smyrna** For being caught in the material world and its changes  
**I AM WISDOM.** I distinguish what is breaking through from what is breaking down. I identify with what is breaking through and I release what is breaking down.
- The Church at Pergamum** For straying from the Path when confused or afraid  
**I AM PATIENCE.** The timing is not in my hands. I live in eternity. I act in the present. I am fulfilled. I surrender all need to know the timing, and act in joy.
- The Church at Thyatira** For being judgmental, intolerant or passive  
**I AM POWER.** To the degree that I empower others I am now empowered.
- The Church at Sardis** For being afraid to trust the Inner Voice  
**I AM SURRENDER.** Not my will, but thy will be done on Earth as it is in heaven.
- The Church at Philadelphia** For needing to be more compassionate and loving  
**I AM LOVE.** I love God above all else, my neighbor as myself, and myself as a Natural Christ.
- The Church at Laodicea** For loss of passion and expression of Inner Calling  
**I AM COURAGE.** I know that I am not working alone. I am surrounded by mighty companions on this Earth and in the universe beyond. Together we work toward the inevitable victory.
- Revelations 3:22 – 4:1** Let anyone who has an ear listen to what the Spirit is telling the churches.

**After this I looked, and there in heaven a door stood open!  
USE THESE MANTRAS TO SEE THE OPEN DOOR TO HEAVEN!**
