

THE FIVE UNIVERSAL TRUTHS OF UNITY

1. There is one Presence and one Power...God - by whatever name one chooses to call that Divine Spark from which we all emanate.
2. The presence of God indwells all things...we call it the Christ Within, but we honor that Presence in all beings regardless of spiritual path.
3. The Creative Power of Thought is our Divine Inheritance...through this we co-create our lives and our world - and we seek to do it consciously and gracefully.
4. The Power of Prayer heals, uplifts, and transforms us...the Kingdom of Heaven is made manifest on earth in, through, and as us.
5. We are here to Be the Light for ourselves, others, and our world... we are eternal spiritual beings having an earthly experience for a divine reason.

A Prayer For Unity

*Beloved Presence of Godde in which we live and move and have our being:
We celebrate that Unity of Port Townsend is our spiritual home.
We willingly and lovingly do that which is ours to do for the betterment of all.
We pray and manifest goodness in faithful dedication to the Path of the Christ.
We give thanks that God is our instant, constant, and abundant source of supply.
We live and move and have our being in harmonious Unity with Spirit and the World.*
